Assigning Secretary Report: By Janiece. Keep your availability calendar up to date. Please try to keep declines down; or at least contact Janiece prior to decline to see if she could fix issue before you decline.

Also: make sure you let Janiece know if you call lines for varsity match after your 9th grade games, if you only had one game, if that was not on your schedule. To make sure you get paid for what you worked.

October invoice will be coming out.

Trainers Report: By Rhiannon: Uniforms being compliant or non compliant ? question. Here's a few tips. Very subjective. Difference between players and Libero need to be clearly contrasting.

White on White is not compliant. Even with a outline color.

If working a 7th, 8th, 9th or JV just talk with coach and let Rhiannon know. If Varsity game, there is a ONE point penalty in game ONE only. One penalty only. Let Rhiannon know. Complete a UIL incident report.

Starting in 2028 only numbers of 1-99 will be legal. No 01, 02, 03.....1,2,3 and so on used

** For the R2 - during timeouts, make sure to ask Libero tracker if Libero is in or out of game. Must be the same coming out of the time out. Double check.

Chairs/ Bench area. Keep players off playing area/court if not enough chairs. If coach has no more chairs, move on. Just have to keep an eye on players not in game as well.

BE NICE / BE KIND / BE SUPPORTIVE / BE AWESOME

NEW Buisness - November ELECTIONS will be VIA Ref Town. Will open After November general meeting.

Contact Herman Dade if you want to run or have a nomination.

President / Treasurer / At Large Rep. 1 and 3
