

Evaluation/Advancement Outline

Members interested in seeking an evaluation and/or improving their skills should:

- Complete and submit a self-evaluation and ranking review to the Chapter Trainer no later than 4/15
- Members interested in improving their skills for possible ranking advancement must contact the Chapter Trainer no later than 5/1
- Evaluations should be requested early - there is limited availability to assign evaluators

There are two forms of evaluations:

- **Informal** For skills improvement: (Use the Evaluation Form)
 - Tournaments assigned with a trainer
 - Regular season matches assigned with a trainer
- **Formal** For advancement in ranking level (Use the Rating Form)
 - Tournaments (members will volunteer to work unpaid while being evaluated by a trainer who is assigned to work the matches at the tournament)
 - Rated twice each as R1/R2
(may be completed by different evaluators and may occur on different days)

In addition to the above, the following will be considered when making a final determination.

- Assigners Assessment:
 - Positive and negative reports from partners and coaches
- Professionalism
 - Communication, reliability, punctuality, flexibility
- Meeting attendance
- Always setting a good example for other officials
- Mentoring other officials when requested

Notes for members being evaluated

- Bring the proper evaluation form for the session
- Review the evaluation form in advance for the skills to be assessed
- Informal Evaluations may occur at spring/summer leagues, scrimmages, tournaments and season matches. (Wear uniform for tournaments and season matches)
- Advancement ratings will be performed mostly at tournaments, beginning in August.
 - Members will come on their own time and will work matches without pay. The evaluator is the assigned official and will be paid for all matches as assigned.
- For regular season matches, the member will be assigned to work with an evaluator as their partner through the normal assigning process.
- Best efforts will be made to assign matches later in the season with an evaluator to assess improvement and provide additional feedback
- Members must be evaluated on Varsity matches for movement to level 1 and are expected to score an 86 or higher on their rating
- Members may be evaluated on 9th/JV Matches for movement to level 2 and are expected to score an 80 or higher on their rating
